

UC DAVIS

Graduate Program of Environmental Policy and Management

Ways to fund your Graduate Degree at UC Davis

Types of funding

- Fellowships
 - Program fellowships
 - Internal (Graduate Studies) fellowships
 - External fellowships
- Academic Appointments
 - Teaching Assistant (TA)
 - Graduate Student Researcher (GSR)
 - Work Study
 - Reader
- Student Loans

Fellowships

- A fellowship is the equivalent of a scholarship. You do not have to pay back this award as it is free money with a few strings attached ([see eligibility requirements here](#)).
- If the student is receiving a fellowship from the EPM program or from Grad Studies, they will be directly notified of their award via the email that they used in their admission application.
- If students obtain other funding in addition to a fellowship, they should notify their Program Coordinator directly as it may change the status of their initial award.
- Students are encouraged to apply for External Fellowships. See tips for finding external funding [here](#).

Academic Appointments

- All on campus positions are posted on our online platform, [Handshake](#). All admitted students will be given access to handshake once they:
 - Submit their Statement of Intent to Register (SIR).
 - Obtain their campus computing account.
 - It takes approximately 2 weeks after submitting your SIR to obtain access to Handshake.
- Teaching Assistantships
 - Teaching Assistants are responsible for the conduct of recitation, laboratory or quiz sections under active direction and supervision of a regular member of

UC DAVIS

Graduate Program of Environmental Policy and Management

faculty to whom the final responsibility for the course's entire instruction is assigned.

- Teaching Assistantships are awarded by academic departments.
- The application for our department Environmental Science & Policy will be sent to all incoming students (students who have submitted their Statement of Intent to Register) in mid-March. You will be notified if you are selected for a TA position directly. You will not be notified if you do not receive anything.
- You may be qualified to TA for a course through a different department. We recommend that you contact undergraduate [departments](#) directly to request an application. Each department may have a different process and deadline.
- Any TA position 25% or greater time covers partial tuition & fees + salary. For more on Salary Scales, please see [here](#).

- Graduate Student Research Assistantships
 - Graduate Student Researcher assists in performing research under the direction of a ladder-rank faculty member or authorized Principle Investigator (PI).
 - Research Assistantships are awarded by individual faculty members from faculty research grants. These positions are typically awarded to students within research programs, however some EPM students have obtained these positions.
 - Any GSR position 25% or greater covers partial tuition + fees **and** nonresident supplemental tuition (NRST). The student will also receive salary.
 - Salary is determined by your hiring unit. See salary steps [here](#). Typically a first-year student will begin between at Step 3.
 - Summer GSR's can be worked up to 100%, and percentage is determined between the PI, Accounting Staff and the student. Tuition + fees are not accessed in the summer and **are not included even if you register for summer courses.**

- Work Study
 - Work study allows a student to earn financial aid through employment.
 - Work study requires a student to receive a GSR position and be deemed eligible by Financial Aid, which is determined based on their review of your FAFSA.
 - It is only available for GSRs, it is not available for any other position.
 - EPM does not provide you with a GSR position. If you find one, we do have available work study credits **which will only be available to you if Financial Aid deems you eligible.**
 - If you receive a GSR and would like to inquire about work study, please email the [Program Coordinator](#).

UCDAVIS

Graduate Program of Environmental Policy and Management

- Reader
 - The title Reader is given to a graduate or undergraduate student appointed for the ability to render diverse services as a course assistant, which will normally include the grading of student papers and examinations. Job duties can vary depending on the instructor.
 - Any reader position 25% or greater covers partial tuition & fees + an hourly wage.

Student Loans

- If you would like to utilize student loans, you'll need to submit a FAFSA application.
- Please note, Pell Grants are generally for undergraduate students only.
- For questions on FAFSA, please contact [UC Davis Financial Aid](#).

Financial Tips for Newly Admitted Graduate Students
